

Infant and Toddler Teacher

Overview:

The Infant and Toddler Teachers at Kreative Kids Academy play a vital role in the organization. The teachers are responsible for guiding the children and utilizing our research-based curriculum at Kreative Kids Academy. The teachers work in a positive manner while creating learning experiences with every interaction and activity. The teacher is responsible for structuring a classroom and working with other teachers in the facility to bring the culture and purpose of the academy to fruition, focusing on providing positive early childhood experiences, engaging with parents, and adding value to the services and program offered at Kreative Kids Academy.

Responsibilities:

- Shifts are scheduled for 8 hours
- Lead/co-lead a classroom with children, following KKA structure
- Implement 'The Creative Curriculum for Infant, Toddlers and Twos' with the guidance of the Educational Coach
- Foster training from the Program Director and Educational Coaches to enhance the program and implement strategies into Kreative Kids Academy.
- Work with childrens individualized needs
- Fulfill daily structure of classroom and teach children
- Communicate with Education Coaches and other staff regularly in classrooms on utilizing all areas of childhood development
- Communicate with families/parents utilizing Procure App.
- Work as a team to cover call-outs in other classrooms
- Identify ways to continuously improve infant and toddler classrooms
- Report to Educational Coaches on the status of infant and toddler classrooms

Expectations:

Show up to work on time, with intent to have a good day and make a difference

Smile and be kind and courteous to staff, children and parents

Foster a respectful & professional work environment

Work as a team and support the other classrooms and staff members

Be a culture driver for the vision of the organization
